Our workshops provide Cal undergraduates with the tools to cultivate and transform their academic voice. Writers will practice key elements of college writing and acquire a clear understanding of academic conventions and expectations at Cal. They will come away with an enhanced ability to create a compelling essay and the confidence to project their academic voice.

**Empower the Writer in You: Acquiring the Mindset of Highly Successful College Writers**
Tuesday October 13th || 4-5:30PM || 110 Chavez
